PB Classic Day: 16th and 17th December

It's almost here! PB Day is a great opportunity to have a run on the Athletics SA stadium track and meet and compete with other athletes from across SA. It's all about your PB's! For those who have registered, SALAA requires that parent help from each club is **essential** and so a roster will be given out or emailed this week. If you are unsure about the event you have been assigned to, please contact Shannon.

Sat 3rd February 2018: Northern Region Open Day

In 2018, our club is hosting Northern Region Open Day! This is an exciting and busy day where the northern clubs come to our club and it's a great day of competition for all athletes.

More details about registrations to come – PARENT HELP IS ESSENTIAL ON THE DAY! A roster will be organised closer to the day.

State relay day – Sunday 11th Feb 2018

For athletes u9's and over - Athletes will be chosen to compete based on their results and teams will be formed accordingly. Keep this date free – Shannon will be in contact with athletes eligible for this day.

Parent shirts

\$40 each – available from Shannon, Melissa or Tracey. A great way to support represent the club and show your support at away meets (and you're little athletes will love it!)

Cadbury fundraiser: Due January 13th 2018

This is an amazing fundraiser for our club. Our goal is to fund a centre records display board for the clubrooms, with engraved plaques displaying all records. Please return all money and unsold chocolates January 13th 2018

**WISHING ALL OUR ATHLETES AND FAMILIES A SAFE
AND MERRY CHRISTMAS!**
